- 1. Head of the Department of Global Health**
- 2. Head of the Department of Health Information**
- 3. Head of the Department of Health Innovation**
- 4. Head of the Department of Health Policy**

Job Description

The Head of Department will be self-driven with a high capacity to envision, strategize and drive departmental effectiveness. He or she should have a Master degree and a PhD in Public Health or an allied field with minimum of four years of experience in Public Health Research and Education preferably in a leadership role.

The prospective candidate should be capable in partnering with the other departmental heads of PSPH and other Institution (regional/national/global) in leading the development of a new school in India and abroad. Supervising PhD students and acquisition of value driven Research Grants will be an integral part of the job. The candidate is expected to contribute to the academic and research development of curricula at PSPH. There will be some travel involved at PSPH since this is an internationally oriented institution.

The position reports to the Director of Prasanna School of Public Health.

This position is contractual for an initial period of two years and is further renewal based on performance. Candidates from India and abroad can apply. Candidates must explain on a separate page their ideas about the focus of teaching and research in the department.

The subject field in the email must contain: Head Position – Department, PSPH, MAHE, Manipal

Eligible candidates may apply with a detailed CV including copies of certificates in support of qualification, experience and a list of publications & research activities on or before
