GREETINGS FROM ORGANISING DESK

Dear Colleagues,

Greetings from the shores of Mangaluru!!

It is our pleasure to announce that Kasturba Medical College [KMC], Mangaluru, Manipal University [MU], the first and premier Public Private Partnership college of India, is hosting the 1st Indo-French International Congress, as a collaborative meeting between Manipal University, India and Claude Bernard Lyon University, France on 23rd and 24th November 2017. With great enthusiasm, the organizing committee invites you to participate in this congress and be a part of the first ever assembly between the two nations in the world of forensics. Keeping up with the phenomenal growth in forensic science, law and medical education throughout the world, the seminar theme is "Connections bridging the Present to the Future in Forensics". The two day program has been designed to cover new and pertinent topics with a thrust on current forensic and medical research, recent advances in forensics for crime detection, and to formulate concrete, uniform guidelines in the science of Forensic Medicine and Toxicology. Eminent experts from France, India and other nations will be participating in this meeting.

Mangaluru, a picturesque city and an emerging health and education hub in India, is well known for its' diverse culture, scenic beaches and sumptuous local cuisines. We welcome you all to participate in this academic extravaganza and look forward to meeting you all in November 2017 at Mangaluru.

Dr. B. Suresh Kumar Shetty,
Organizing Secretary [India]
