

OPEN HOUSE 2023

Dear students and parents,

We at MIT Manipal, would like to invite you to explore the amazing green, clean and vast campus comprising state-of-the-art labs, infrastructure and research facilities through an organized campus tour during December 2022 to June 2023.

Thank you.
Team MIT

Scan the QR code
to register for the
campus tour

Visit our science and engineering departments and learn about our programs and student achievements.

Look at the internationally acclaimed major project areas TechSHILA, or the expansive sports facilities or immerse yourselves in the serenity of open green spaces of the campus.
